SAINT MARTIN'S AT THE TABLE

Jesus shared a meal with his closest friends the evening before he was betrayed. The words he used that night are the words we use every time we share the Sacrament of Communion. God invites us to be at the table just as Jesus did with his first disciples.

What does "At the Table" bring to your mind? Perhaps the phrase recalls meals shared with friends and family; favorite recipes and foods; conversations and laughter; or maybe it stirs feelings of being excluded, ignored, neglected, or hungry. Unintentionally, we can assume that everyone else has similar experiences unless we have opportunities to listen to each other. Sharing our different experiences allows us to create a space that is truly open and welcoming to all, where we are aware of our limitations, and willing to learn and grow.

Please check the website for a link to submit what "At the Table" means to you.
