Earth Day

Little children, let us love, not in word or speech, but in truth and action.

1 John 3:18

On Saturday, April 20, St. Martin's will celebrate Earth Day with a service project and picnic in the Worship Park. Activities will begin at 10:00am. More information about the work to be done will be forthcoming.

On Sunday, April 21, we will have a very special worship service at 10:00am, featuring our youth as worship leaders. The young people of St. Martin's have expressed concern about the state of our planet and are exploring ways our faith can lead us to offer solutions with focused ecological consciousness and intergenerational dialogue. We will be sharing more insights from the youth in preparation for this exciting worship service.
